PROFILE SUMMARY

Aspiring software professional with a strong foundation in Java, SQL, Data Structures, Algorithms, and web development. Gained practical experience through academic projects and internship exposure. Passionate about applying technical and problem-solving skills to develop efficient software solutions. Eager to learn, grow, and contribute effectively in a dynamic organization.

EDUCATION

Bannari Amman Institute of Technology, Sathyamangalam

Bachelor of Technology - Artificial Intelligence and Machine Learning

CGPA: 8.29

National Matriculation Higher Secondary School, Mettupalayam

Higher Secondary Certificate - Bio-Maths Stream

Percentage: 93

PROFESSIONAL SKILLS

- **Programming Languages:** Java, Python
- **Core Concepts:** Data Structures & Algorithms, Object-Oriented Programming (OOP) - Basics
- **Web Technologies:** HTML, CSS
- **Tools & Technologies:** MySQL, VS Code
- **Soft Skills:** Problem Solving, Adaptability, Time Management

PROJECTS

Secure Academic File Tracker

- Developed a secure application with role-based access control for managing academic files
- Implemented authentication and file handling for secure upload, access, and tracking
- Built using RESTful architecture with database integration for efficient and scalable data management

Energy Usage Prediction System

- Built a machine learning based solution to predict building energy consumption by analyzing historical usage data and environmental factors, enabling efficient energy management and reduced operational costs.

INTERNSHIP EXPERIENCE

Web Developer Intern - ElCodamics, Coimbatore (On-site)

Sep 2025 - Oct 2025

- Gained experience in web application development with exposure to backend logic and server-side processing.
- Collaborated in debugging and improving application performance.
- Worked with databases and integrated frontend with backend services.

HACKATHONS AND CERTIFICATIONS

- TANCAM - TN IMPACT HACKATHON - Developed a Java-based Smart Scheduling System for efficient workforce and resource management.
- HTML Essentials - CISCO
- Presented a research paper at the RASET Conference as an active participant.
